Viña Ventisquero has been part of the August Wine Group family since 2017.

Each of our bottles contain unique, characterful wines made with passion and a focus on excellence. Our team works round the clock to create varied, innovative wines to be shared with good company or during special moments. We want every bottle you open to be an unforgettable experience.

Our teams hard work, creativity, professionalism and innovation, combined with a diverse range of terroirs in Chile's best wine producing areas, enable us to create wines which are unique and distinct. We have watched each of our vineyards grow. We study and tend to them, so as to ensure that each bottle faithfully represents its noble origins.
